Clean Energy Regulator

Wei Zhou
25 Wallas AVE
st ives NSW 2075

Ref: PVD1820718 - Small Unit Designer

**Inspection Report
2 Shirlow ST
Marrickville NSW 2204**

The small generation unit (solar panel system) at the above address was inspected under the requirements of the *Renewable Energy (Electricity) Act 2000* and *Renewable Energy (Electricity) Regulations 2001* administered by the Clean Energy Regulator. A copy of the final inspection report is attached.

As required by the Regulations, if the draft report contained a likely adverse finding, the inspector has allowed a reasonable opportunity to receive comment from the Agent and/or installer. The inspector has taken into account these comments provided when finalising this report.

The Clean Energy Regulator will be providing a copy of the inspector's final report to the following parties:

- 1) the owner of the solar panel system and the occupier of the premises;
- 2) the person who created the certificates for the solar panel system;
- 3) the designer and installer of the solar panel system;
- 4) the Clean Energy Council; and
- 5) NSW Fair Trading, Energy & Utilities Unit, Home Building Services

If you wish to make any comments on the final report, please provide them directly to the relevant party.

The Clean Energy Regulator is responsible for taking appropriate compliance and enforcement action if certificates are found to be improperly created. The administration or enforcement of safety standards for electrical work and for matters relating to the design and construction of buildings and structures (including solar panel systems) is the responsibility of state and territory regulators.

The relevant State or Territory regulator is *NSW Fair Trading, Energy & Utilities Unit, Home Building Services* www.fairtrading.nsw.gov.au 13 32 20. If you would like further information about the Clean Energy Regulator's inspections scheme, please visit the website on <http://ret.cleanenergyregulator.gov.au>, or contact the Renewable Energy Target (RET) Inspections Manager 02 6159 3990 or email retinspections@cleanenergyregulator.gov.au.

Regards

Chris Branson
